

FADE IN

## SCENE 1 EXT-DAY-SKATEBOARD PLAZA

Three skateboard dudes are sitting talking about nothing in general. Lots of other skateboarders are trying to impress with their board skills but they all suck. Our three heroes suddenly get on to the subject of doughnuts.

BILLY

Yeah nuthin' beats a fudge donut man

BIFF

That's coz you're a fudge packer

BILLY

Well, that's not wot your girl friend was saying last nite. Actually she wasn't saying anything coz she was sucking my schlong all night and loving it too.

SCOOTER

That's real funny Biff

BIFF

How's that barf bag?

SCOOTER

Coz I was spearing your maws hairy donut last night while Billy was playing hide the sausage with your girl.

BIFF

Why don't you all rotate on a rhino's dick.

SCOOTER

As much as I like to spear and eat hairy donut, I think we were discussing doughnuts of the bakery kind. Well my favourite kind is the simple but tasty jam filled ones

BIFF

Yeah those are the ones I like too.

BILLY

The best ones are the ones that you get from donut stands. They are outstanding.

SCOOTER

Let's go get some. Anybody got any money. I'm all out.

BILLY

As per usual, as it is, I'm a bit strapped too.

BIFF

Same here, completely skint

SCOOTER

Well why don't we hold up the donut stand at the end of the street?

BILLY AND BIFF (TOGETHER)

OK

SCOOTER

Let's go get some donuts

SCENE 3 - EXT - DAY - ANOTHER STREET

Billy running down another street with bag full of donuts that is spilling all over the place.

BIFF

Put it on then.

Just before he can put it on though Billy comes bursting in. He's totally knackered.

BILLY

Where the hell did you two get to?

BIFF

We could ask you the same thing.

SCOOTER

Where's the bag of donuts

BILLY

I had to ditch them, there was police all over the police and I looked a bit dodgy. So I dumped them in the nearest wheely bin. Sorry.

BIFF

Numptie. Well that was a total waste of time and energy. And to cap it all off I'm still wanting a freakin' donut.

Suddenly the door buzzer goes, all three guys look at each other. They begin to look scared. Scooter slowly goes to answer the door. Bill and Biff wait and worry. We hear the door opening, muffled voices and then the door closing again. Scooter comes back into the room, he is holding something behind his back.

SCOOTER

Well it wasn't the police thankfully.

BIFF

Who the hell was it then?

He slowly reveals what he was hiding behind his back

SCOOTER

It was the Dodgy Dave's Donuts delivery guy, I'd forgot that I'd ordered a bag of donuts for us all. Whoops.

BILLY AND BIFF

Numptie.

They both run to jump him

FADE OUT.
